Harcourts (Pvt) Limited, one of the largest groups in the healthcare market, recently donated a large quantity of vitamin and stamina building products to Moors Sports Club. Harcourts have been active in the sports arena, sponsoring sports events at school and club level.

Many junior level sports events were sponsored as an encouragement for sports and development talent from the grassroots level. “Multifit” and “Manfit” will be the initial offerpr of Harcourts for the fitness conscious and healthy lifestyle of Sri Lanka. Many highly special-ized products are under development for future launch.
